

My name is Ascohi Helman, and I'm running for Borough Council Ward 2. Waynesboro Pa.

I am committed to ensuring Waynesboro has a Borough Council that empowers our community, eliminates wasteful spending, lowers property taxes, protects our police, and fights for liberty.

We need to take the idea of "empowering the community" seriously by empowering local companies to create jobs and increase opportunities for internships, scholarships, and job training. Local councils should work to improve community well-being and provide better services by representing the local community, delivering services to meet local needs, and striving to improve the quality of life in Waynesboro.

If elected, I will represent all constituents, regardless of political affiliation. I want to hear your suggestions and involve you in making changes that would be helpful to our area.

Together, we can make our community government work more effectively and efficiently, and we can make Waynesboro a great place in which to live.

I have the following basic Pennsylvania and Local Background:

Walmart Assistant Manager in Mechanicsburg, PA 2014

Walmart Assistant Manager in Waynesboro, PA 2017

General Manager at The Skate Palace in Hagerstown, MD, since September 2023.

Eleven -Year Resident of Waynesboro
